**PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS
OF FIRST KEYSTONE CORPORATION TO BE HELD ON MAY 6, 2021**

GENERAL INFORMATION

Introduction, Date, Time and Place of Annual Meeting

First Keystone Corporation (the “Corporation”), a Pennsylvania business corporation and registered bank holding company, furnishes this Proxy Statement in connection with the solicitation, by its Board of Directors, of proxies to be voted at the Annual Meeting of Shareholders (the “Annual Meeting”) and at any adjournment or postponement of the Annual Meeting. The Corporation will hold the meeting virtually on Thursday, May 6, 2021, at 10:00 a.m., Eastern Daylight Time.

The principal executive office of the Corporation is located at First Keystone Community Bank (the “Bank”), 111 West Front Street, P.O. Box 289, Berwick, Pennsylvania 18603. The Bank is the sole, wholly-owned subsidiary of the Corporation. The telephone number for the Corporation and the Bank is (570) 752-3671. All inquiries should be directed to Elaine A. Woodland, President and Chief Executive Officer of the Corporation and the Bank.

When we say “we”, “us”, “our” or the “Company”, we mean the Corporation on a consolidated basis with the Bank.

Solicitation and Voting of Proxies

By properly completing and returning your proxy card, a shareholder is appointing the proxy holders to vote his or her shares as the shareholder specifies on the proxy. If a shareholder signs the proxy but does not make any selection, the proxy holders will vote the proxy:

- **FOR** the election of the nominees for Class A Director named in this Proxy Statement; and
- **FOR** the ratification of the selection of Baker Tilly US, LLP as the independent registered public accounting firm for the Corporation for the year ending December 31, 2021.

Although the Board of Directors (the “Board”) knows of no other business to be presented at the Annual Meeting, in the event that any other matters are properly brought before the meeting, any proxy given pursuant to this solicitation will be voted in accordance with the recommendations of the Board.

The Corporation will pay the cost of preparing, assembling, printing, mailing and soliciting proxies and any additional material that the Corporation may furnish shareholders in connection with the Annual Meeting. In addition to the use of the mail, directors, officers and employees of the Corporation and the Bank may solicit proxies personally, by telephone, or other electronic means. The Corporation will not pay any additional compensation for the solicitation. The Corporation will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to forward proxy solicitation material to the beneficial owners and will reimburse them for their reasonable forwarding expenses.

Revocability of Proxy

A shareholder who returns a proxy may revoke the proxy at any time before it is voted only:

- By executing a later-dated proxy; or
- By attending the Annual Meeting and voting at the meeting.

Voting Securities, Record Date and Quorum

At the close of business on March 12, 2021, the Corporation had 5,883,670 shares of common stock outstanding, par value \$2.00 per share. Our common stock is the Corporation's only issued and outstanding class of stock. The Corporation also had 231,612 shares held in treasury, as issued but not outstanding shares on that date. The Corporation's Articles of Incorporation authorize the issuance of up to 20,000,000 shares of common stock and 1,000,000 shares of preferred stock. No shares of preferred stock are issued or outstanding.

Only shareholders of record as of the close of business on March 12, 2021, may vote at the Annual Meeting. Cumulative voting rights do not exist with respect to the election of directors. On all matters to come before the Annual Meeting, each shareholder is entitled to one vote for each share of common stock held on the record date.

Pennsylvania law and the bylaws of the Corporation require the presence of a quorum for each matter that shareholders will vote on at the Annual Meeting. The presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes that all shareholders are entitled to cast constitutes a quorum for the transaction of business at the Annual Meeting. The Corporation will count votes withheld and abstentions in determining the presence of a quorum for a particular matter. The Corporation will not count broker non-votes in determining the presence of a quorum for a particular matter. A broker non-vote occurs when a broker nominee, holding shares for a beneficial owner, does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item, and has not received instructions from the beneficial owner. Those shareholders present, in person or by proxy, may adjourn the meeting to another time and place if a quorum is lacking.

Vote Required for Approval of Proposals

Assuming the presence of a quorum, the 3 nominees for director receiving the highest number of votes cast by shareholders will be elected. Votes withheld from a nominee and broker non-votes will not be cast for the nominee.

Assuming the presence of a quorum, ratification of the selection of Baker Tilly US, LLP requires the affirmative vote of a majority of all votes cast by shareholders, in person or by proxy, on the matter. Abstentions and broker non-votes are not votes cast and do not count either for or against ratification. Abstentions and broker non-votes have the practical effect of reducing the number of affirmative votes required to obtain a majority vote for each matter by reducing the total number of shares voted from which the majority is calculated.

GOVERNANCE OF THE COMPANY

Our Board of Directors believes that the purpose of corporate governance is to ensure that we maximize shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices which the Board and senior management believe promote this purpose, are sound, and represent best practices.

Board Leadership Structure

The Corporation separates the roles of Chief Executive Officer (“CEO”) and Chairman of the Board (the “Chairman”) in recognition of the differences between the two roles. The CEO is responsible for setting the strategic direction for the Corporation and the day to day operation and performance of the Corporation, while the Chairman provides guidance to the CEO, sets the agenda for Board meetings and presides over meetings of the Board. Mr. Robert A. Bull, our Chairman, has been a director for 14 years, and was selected as Chairman in 2017. The Board believes the separated roles of CEO and Chairman are in the best interest of shareholders because it promotes both strategic development and facilitates information flow between management and the Board, both essential for effective governance.

The Corporation’s Board oversees all business, property and affairs of the Corporation. The Chairman and the Corporation’s officers keep the members of the Board informed of the Corporation’s business through discussions at Board meetings and by providing them with reports and other materials. The directors of the Corporation also serve as the directors of the Corporation’s wholly-owned bank subsidiary, First Keystone Community Bank, upon election by the Corporation.

Currently, our Board has nine members. Based on the qualifications for independence established under the SEC and NASDAQ standards for independence, D. Matthew Bower, Michael L. Jezewski, Nancy J. Marr, William E. Rinehart, and David R. Saracino meet the standards for independence. Only independent directors serve on our Audit Committee.

In determining the Directors’ independence, the Board considered loan transactions between the Bank and the directors, their family members and businesses with whom they are associated, as well as any contributions made to non-profit organizations with whom they are associated.

Risk Management

The Board’s role in the Corporation’s risk oversight process includes receiving regular reports from members of senior management on areas of material risk to the Corporation, including operational, financial, legal and regulatory, and strategic and reputational risks. The Board receives reports from the various committees of the Board. When a committee presents a report to the full Board, the Chairman of the relevant committee leads the discussion. This enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships. As part of its charter, the Audit Committee discusses the policies with respect to risk assessment and management.

Diversity

In considering whether to recommend any candidate for inclusion in the Board’s slate of recommended director nominees, including candidates recommended by shareholders, the Board has determined that the nominees must have the right diversity. The Board seeks nominees with a broad diversity of experience, professions, skills, geographic representation and backgrounds. This includes the candidate’s integrity, business acumen, age, experience, commitment, diligence, conflicts of interest and the ability to act in the interests of all shareholders. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis protected by law.

CODE OF ETHICS

As required by law and regulation, in 2003, the Corporation adopted the Directors and Senior Management Code of Ethics (the “Code of Ethics”) to be applicable to our directors and senior management. The Code of Ethics is posted on our website at firstkeystonecorp.fkc.bank, and was filed with the SEC as exhibit 99.1 on Form 8-K on August 27, 2013.

COMMITTEES OF THE BOARD OF DIRECTORS

The Corporation’s Board of Directors has, at present, an Audit Committee.

Audit Committee. Members of the Audit Committee, during 2020, were David R. Saracino, Chairman, Michael L. Jezewski, Nancy J. Marr, and William E. Rinehart, each of whom the Board has determined satisfies the SEC and NASDAQ independence and audit committee qualification standards. The Audit Committee met six times during 2020.

The principal duties of the Audit Committee are set forth in its charter which is available on our website at firstkeystonecorp.fkc.bank under the governance documents menu. The duties include reviewing significant audit and accounting principles, policies and practices, reviewing performance of internal auditing procedures, reviewing reports of examination received from regulatory authorities and recommending annually, to the Board, the engagement of an independent registered public accounting firm.

The Board has determined that Nancy J. Marr and David R. Saracino are “audit committee financial experts” and “independent” as defined under applicable SEC and NASDAQ rules. The Board deemed Ms. Marr and Mr. Saracino “financial experts” as they possess the following attributes:

- An understanding of financial statements;
- Proficiency in assessing the general utilization of such principles in connection with accounting for estimates, accruals and reserves;
- Lengthy experience preparing, auditing, analyzing and evaluating financial statements;
- Understanding of internal controls and procedures for financial reporting; and
- Understanding of audit committee functions.

Oversight of Executive Compensation and Director Nominations

During 2020, the Corporation did not have formal nominating or compensation committees. The Board determined that it is appropriate for the Corporation not to have a nominating or compensation committee in view of the Corporation’s relative size, stability of the Corporation’s Board, and the historic involvement of the entire Board in the director selection process and in the compensation process. Because there is no formal nominating or compensation committee, the Corporation does not have a formal charter for such committees.

COMMITTEES OF THE BANK

The Bank's Board maintains standing committees: trust, asset/liability management, marketing, loan administration, human resources, executive and building. The composition of these committees is described below:

Building Committee - This committee makes recommendations to the Board relating to the Bank's physical assets, including both current and proposed physical assets.

Board Meetings and Attendance

The members of the Board of the Corporation also serve as members of the Board of Directors of the Bank. During 2020, the Corporation's Board held 11 meetings. Each of the directors attended at least 75% of the combined total number of meetings of the Corporation's Board and the committees of which he or she is a member. Although there is no formal policy, all directors are expected to attend the Annual Meeting. All Directors attended the 2020 Annual Meeting.

SHAREHOLDER OR INTERESTED PARTY COMMUNICATIONS

The Board does not have a formal process for shareholders or interested parties to send communications to the Board. Due to the infrequency of shareholder or interested party communications to the Board, the Board does not believe that a formal process is necessary. Any shareholders or interested party may communicate with the Board by sending a letter to: First Keystone Corporation, Board of Directors, c/o Corporate Secretary, 111 West Front Street, P.O. Box 289, Berwick, PA 18603. All communications so received from shareholders or other interested parties will be forwarded to the members of the Board or to the applicable director or directors if so designated by such communication.

Shareholders or interested parties who have concerns regarding accounting, improper use of Corporation assets, or ethical improprieties may report these concerns to the Audit Committee by sending an email to David R. Saracino, Audit Committee Chairman, at auditcommitteechairman@fkc.bank.

SHAREHOLDER PROPOSALS AND NOMINATIONS

If a shareholder wants us to include a proposal in the Proxy Statement for presentation at our 2022 Annual Meeting, the proposal must be received at our principal executive office at 111 West Front Street, P.O. Box 289, Berwick, Pennsylvania 18603, no later than November 25, 2021. Any proposal must comply with SEC regulations regarding the inclusion of shareholder proposals in Corporation-sponsored proxy materials. If a shareholder proposal is submitted to the Corporation after November 25, 2021, it is considered untimely; and, although the proposal may be considered at the Annual Meeting, the Corporation is not obligated to include it in the 2022 Proxy Statement.

The Corporation's Board nominates individuals for the position of director. Neither the Corporation nor the Bank has a nominating committee. A shareholder who desires to propose an individual for consideration by the Board as a nominee for director, should submit a proposal in writing to the Secretary of the Corporation in accordance with Section 10.1 of the Corporation's bylaws. Any shareholder who intends to recommend nomination of any candidate for election to the Board must notify the Secretary of the Corporation in writing not less than 45 days prior to the date of any meeting of shareholders called for the election of directors and must provide the specific information listed in Section 10.1 of the bylaws. You may obtain a copy of the Corporation's bylaws by writing to David R. Saracino, Secretary, First Keystone Corporation, 111 West Front Street, P.O. Box 289, Berwick, Pennsylvania 18603. Specifically, a shareholder who recommends a director candidate for consideration to the Board must provide the candidate's name, biographical data, and qualifications. A written statement from the candidate, consenting to be named as a candidate, and to serve as a director if nominated and elected, should accompany any such recommendation.

The process that the Board uses for identifying and evaluating nominees for director is as follows. When there is a vacancy on the Board, either through the retirement of a director or the Board's determination that the size of the Board should be increased, nominations to fill that vacancy are made by current directors on the Board. The name of any individual recommended by the directors is provided to Chairman Robert A. Bull, who contacts the prospective director nominee and generally meets with him or her. The members of the Board then may meet with the prospective director nominee. If a nominee is qualified and the Board believes the nominee will make a positive addition to the Board at that time, the Board then nominates the candidate.

PROPOSAL NO. 1: ELECTION OF CLASS A DIRECTORS

The Corporation's bylaws provide that its Board will manage the Corporation's business. Sections 10.2 and 10.3 of the bylaws provide that the number of directors on the Board will not be less than 7 nor more than 25 and that the Board will be classified into 3 classes, each class to be elected for a term of 3 years. Within the foregoing limits, the Board may, from time to time, fix the number of directors and their classifications. Section 11.1 of the bylaws require that a majority of the remaining members of the Board, even if less than a quorum, will select and appoint directors to fill vacancies on the Board, and each person so appointed will serve as director until the expiration of the term of office of the class of directors to which he or she was appointed.

Section 10.3 of the bylaws provides for a classified Board with staggered three-year terms of office. Accordingly, at the 2021 Annual Meeting, three Class A Directors will be elected to serve for a three-year term and until their successors are properly elected and qualified. The Board of the Corporation has nominated the current eligible Class A Directors to serve as Class A Directors for the next three-year term of office. The nominees for election this year are:

- Michael L. Jezewski, director since 2018;
- William E. Rinehart, director since 2018; and
- David R. Saracino, director since 2006.

The nominees have consented to serve a three-year term of office and until their successors are elected and qualified.

Unless otherwise instructed, the proxy holders will vote the proxies for the election of the three director nominees. If any nominee should become unavailable for any reason, proxies will be voted in favor of a substitute nominee named by the Board of the Corporation. A majority of the directors of the Corporation, in office, may appoint a new director to fill any vacancy occurring on the Board for any reason, and the new directors will serve until the expiration of the term of the class of directors to which he or she was appointed.

The Corporation's Articles of Incorporation provide that cumulative voting rights do not exist with respect to the election of directors. Accordingly, each share of common stock entitles its owner to cast one vote for each nominee. For example, if a shareholder owns 10 shares of common stock, he or she may cast up to 10 votes for each director to be elected.

The Board of Directors recommends that shareholders vote **FOR** the election of the above-named director nominees.

INFORMATION AS TO DIRECTORS AND NOMINEES

The following selected biographical information about the directors and nominees for director is accurate as of March 1, 2021, and includes each person's business experience for at least the past 5 years and the experience, qualifications and attributes or skills that led the Board to conclude that the person should serve as a director.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Corporation's financial reporting process on behalf of the Board. In that connection, the committee, along with the Board, has formally adopted an audit committee charter setting forth its responsibilities.

Management has the primary responsibility for the financial statements and the reporting process including the systems of internal control. In fulfilling its oversight responsibilities, the committee reviewed the audited financial statements in the Annual Report on Form 10-K with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The committee reviewed with Baker Tilly US, LLP (formerly known as Baker Tilly Virchow Krause, LLP), the Corporation's independent registered public accounting firm, who are responsible for expressing an opinion on the Corporation's financial statements, their judgments as to the quality, not just the acceptability, of the Corporation's accounting principles and such other matters as are required to be discussed with the committee in accordance with standards of the Public Company Accounting Oversight Board (United States) (PCAOB). In addition, the committee has discussed with Baker Tilly US, LLP, the matters required to be discussed by PCAOB Auditing Standard 1301 "Communications with Audit Committees" and the Securities and Exchange Commission. We have also received from Baker Tilly US, LLP, written disclosures and a letter concerning the firm's independence with respect to the Corporation, as required by Rule 3520 of the PCAOB.

The committee discussed the overall scope and plans for their audits with the Corporation's internal auditors and Baker Tilly US, LLP. The committee met with the internal auditors and Baker Tilly US, LLP, with and without management present, to discuss the results of their examinations, their evaluations of the Corporation's internal controls and the overall quality of the Corporation's financial reporting. The committee held six meetings during fiscal year 2020.

With respect to the Corporation's Independent Accountants, the committee, among other things, discussed with Baker Tilly US, LLP matters relating to its independence, including the written disclosures made to the committee by the Independent Accountants and the letter from the Independent Accountants as required by applicable requirements of the Public Company Accounting Oversight Board regarding the Independent Accountant's communications with the Audit Committee concerning independence.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2020 for filing with the Securities and Exchange Commission.

Aggregate fees billed to the Corporation and the Bank by Baker Tilly US, LLP for services rendered during the years ended December 31, 2020 and December 31, 2019 were as follows:

	Year Ended December 31,	
	2020	2019

Tax fees ²	32,700	23,023
Total	\$ 239,615	\$ 185,033

¹ Audit fees include fees billed for professional services rendered for the audit of the Corporation’s annual consolidated financial statements and review of consolidated financial statements included in the Quarterly Reports on Form 10 Q, including out of pocket expenses provided by Baker Tilly US, LLP in 2020 and 2019, and audit of internal control in accordance with the FDIC Improvement Act in 2020 and Section 404 of the Sarbanes-Oxley Act in 2019.

² Tax fees include fees billed for professional services rendered by Baker Tilly US, LLP in 2020 and 2019 for tax compliance. These services include preparation of Federal and State Annual Tax Returns for the Corporation and the Bank.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee pre-approves all audit and permissible non-audit services provided to the Corporation. Baker Tilly US, LLP served as the Corporation’s independent registered public accounting firm for the year 2020. These services may include audit services, audit related services, tax services, and other services. The Audit Committee has adopted a policy for the pre-approval of services provided by the independent registered public accounting firm. Under the policy, pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific Board approved budget. In addition, the Audit Committee may also pre-approve particular services on a case by case basis. For each proposed service, the independent registered public accounting firm is required to provide a detailed engagement letter.

The committee is comprised of four directors, all of whom are considered “independent” as defined by SEC Rules and NASDAQ listing standards. The Board has determined that no member of the committee has a relationship with the Corporation that should interfere with his independence from the Corporation or its management.

EXECUTIVE COMPENSATION

The Board serves as the Compensation Committee for the Bank and develops the Bank's and the Corporation's executive compensation policy. The compensation programs are designed to provide an incentive to the named executive officers on both a short-term and long-term basis. Because there is no formal compensation committee, the Corporation does not have a formal charter for such committee.

Executive Officers' Role in Determining Compensation

The Board also determines the named executive officers' individual compensation. The Board, acting as the Compensation Committee, considers information provided by the Chief Executive Officer in determining the appropriate level of compensation for other named executive officers. Individual performance objectives are set by the Chief Executive Officer and a year-end appraisal on each named executive officer prepared by the Chief Executive Officer is reviewed by the Board. No named executive officer attends those portions of the Board meetings during which his or her performance is evaluated or his or her compensation is being determined. The Chief Executive Officer is present during the discussions regarding other named executive officers' performance and compensation, but is not present during the discussion of her performance and compensation.

Compensation Consultant

In 2020, a compensation consultant did not play a role in setting compensation or advising on specific compensation. The Compensation Committee reviewed the L.R. Webber Associates, Inc.'s 2020 Salary/Benefits for Financial Institutions Survey ("the Survey") to acquaint itself with current trends and practices in compensation. The survey includes general compensation information for executives of financial institutions throughout Pennsylvania.

During the beginning of 2020, the Board conducted a risk assessment of the Bank's compensation program. The Board concluded that the program is balanced, does not motivate imprudent risk taking, and is not reasonably likely to have a material adverse effect on the Bank.

The following table shows information concerning the annual and long-term compensation for services rendered in all capacities to the Corporation and the Bank for the fiscal year ended December 31, 2020 of those persons who were:

- all individuals who served as the Principal Executive Officer and Principal Financial Officer during 2020; and
- the other 2 most highly compensated named executive officers of the Corporation and the Bank at December 31, 2020 whose total compensation exceeded \$100,000.

Supplemental Employee Retirement Plan

The Corporation currently maintains a Supplemental Employee Retirement Plan (“SERP”) covering Elaine A. Woodland. The SERP, which is a salary continuation agreement, provides that if the executive officer continues to serve as an officer of the Bank until a stated retirement age of 63 years for Ms. Woodland, the Bank will pay 180 guaranteed consecutive monthly payments for Ms. Woodland commencing on the first day of the month following the officer’s 63rd birthday and the termination of employment in the amount indicated below. The established retirement benefit under the SERP for Ms. Woodland will be \$2,083 per month and is not subject to change.

If the executive officer attains her stated retirement age, but dies before receiving all of the guaranteed monthly payments, then the Bank will make the remaining payments to the officer's beneficiary. In the event the officer dies while serving as an officer, prior to her stated retirement age, the Bank will remit the guaranteed monthly payment to the officer's beneficiary commencing the month following the executive's death. In the event of a change of control and the termination of the officer's employment, the guaranteed monthly payments will commence the month following the executive's termination of service. Generally, no benefit will be paid if the executive officer voluntarily terminates employment prior to attaining the stated retirement age or is terminated for cause.

The SERP allows the executive officer to achieve a retirement income percentage that is more consistent with her experience and years of service to the Bank. The plan objective is to provide the executive officer with a final wage replacement ratio of approximately 75% of projected final salary including projected benefits from the Bank 401(k) Plan, social security, and salary continuation provided through the agreement.

401(k) Plan

The Bank maintains a 401(k) Plan which has a combined tax qualified savings feature and profit sharing feature for the benefit of its employees. Effective January 1, 2014, the plan became a Safe Harbor Plan and provides matching benefits to employees who are 21 years of age upon their entry date into the plan after completing three months of service. Under the savings feature, the Bank makes safe harbor matching contributions of 100% of the first 3% of compensation an employee contributes to the plan and 50% of the next 2% of compensation an employee contributes to the plan.

Additionally, the Bank may make a discretionary profit sharing contribution annually to the plan. Contributions made by the Bank to the plan are allocated to participants, who are aged 21 and have completed at least one year of service, in the same portion that each participant's compensation bears to the aggregate compensation of all participants. Each participant in the plan is 100% vested at all times. Benefits are payable under the plan upon termination of employment, disability, death or retirement.

Of the \$785,347 in total expenses during 2020, \$65,260 was credited among the individual accounts of the 4 named executive officers of the Bank: Ms. Woodland with \$26,231, Ms. Rosler with \$16,222, Mr. Littlewood with \$10,109 and Mr. McDonald with \$12,698. Ms. Woodland has been a member of the plan for 14 years, Ms. Rosler for 30 years, Mr. Littlewood for 12 years and Mr. McDonald for 14 years.

Health and Welfare Plans

Group life insurance, group disability, vision and dental benefits and health insurance are available to all employees, as well as an IRS Section 125 plan. Such plans are standard in the industry and in the geographic area for all industries and necessary to compete for talented employees at all levels of the Corporation. Named executive officers participate in these plans under the same terms and conditions as other employees.

Under the group life insurance, Ms. Woodland's beneficiary would be entitled to a death benefit of two times her base salary capped at \$300,000, and each of the other named executive officers' beneficiaries would be entitled to a death benefit of two times his or her base salary.
